WEAR & TEAR PROTECTION

Leasing a car should be a carefree and enjoyable alternative to the responsibilities of auto ownership. Lease agreements hold you financially responsible for the condition of your vehicle's interior and exterior at the time of turn in. Ditto Excess Wear & Tear Protection for leased vehicles helps relieve you of this unwanted expense.

Auto insurance pays for certain types of damage to your vehicle. However, your auto insurance does not pay for excess wear and tear – YOU DO!

Protect yourself against those charges with Ditto Excess Wear & Tear Protection.
