DITTO

Ancillary Coverage

KEY & FOB PROTECTION

Includes either a $400 or $800 limit benefit to replace the vehicle key and/or remote should it become lost, stolen or destroyed. Battery replacement is not included.

Dealer Benefits

- Add to your profitability.
- Increase customer retention.
- New and pre-owned vehicles are eligible for coverage.
- Multiple sales opportunities.
- Appeals to lease buyers & purchasers.
- Available for 1 to 7 year terms.
- Available in all states.

Consumer Benefits

- Should the customer's key/remote become lost, stolen or broken, this program covers the expense (depending on the plan purchased) to obtain a replacement and reprogramming of the key/remote.
- When your customer returns to get a replacement key or remote, the new key and the existing remaining keys will be deactivated or reprogrammed thus making the lost or stolen key useless to anyone who would try and use it.
- Roadside assistance includes emergency towing services, emergency roadside assistance, delivery of supplies, lock-out service, tire service and battery service.
- Includes custom trip routing and rental car discounts.

Eligibility

- New and pre-owned vehicles are eligible for coverage.
- Customer MUST receive a minimum of two (2) sets of keys and remotes at the time of vehicle delivery to be eligible for coverage.
- All claims MUST have prior authorization.

Exclusions

- Battery replacement is not included.
- Any key/remote repair or replacement covered by warranty, recall, or acknowledgment of responsibility issued by the manufacturer.

Note: Dealers must be appointed through NIU of Florida, Inc. in order to sell in the state of FL.
